Card Selection

Choose

Text:

In this phase each player sees the list of referances made by the others.

After the player chooses one of the players, he is redirected to the card selection.

Then he chooses the card that he thinks the chosen player referred to.

The list will show every reference with it's current picked match or an empty cube if no match was picked yet.

Once the player has finished matching he may press Done.

Scores:

Round #1

	◉	👁	⊞	Total:
👤 user1 Admin	3	3	+3	3
👤 user2	2	None	0	0
✅👤 user3	4	All	0	0
👤 user4	1	2	+1	1
✅👤 user5	4	1	+4	4

Leave Game	Another Round

The players will vote who would like to continue to another round.

the admin will have two buttons:
"Start Next Round" and "End Session".

Starting Next Round:
Those who wanted to continue will proceed to the waiting screen,
the Owner screen and the Admin will proceed to the Lobby
Screen.
